

### Insurance

Unless Government Indemnity is applicable, borrowers must take out 'nail to nail' All Risks insurance cover for the values specified on the loan form.

**We also require proof that insurance has been taken out to cover 'minimum liability' under the terms of Government Indemnity.**

In the event of a total write-off the borrower will also be required to meet any VAT costs incurred. Borrowers must return one copy of the loan form together with proof of insurance cover. **WORK CANNOT BE RELEASED UNTIL THIS IS DONE.**

### Collection and Return

Borrowers must provide appropriate transportation for works.

- Transport agent must be approved by ACC in advance
- The vehicle must be alarmed and lockable
- The cargo area should be separate from the passenger compartment
- The vehicle must be solid sided (not curtain sided)
- The vehicle must have air ride suspension and temperature control
- Two people must always accompany the vehicle
- The vehicle must not be left unattended at any time
- If the journey cannot be completed in one day, secure, approved overnight parking is required
- Borrowers must return (via email) a signed copy of the ACC loans receipt to the Loans Coordinator within 24 of receiving artworks

Borrowers must let the Loans Coordinator know the day on which each collection is to be made (whether from the ACC store or a place of long loan) and when each work is to be returned at the close of the exhibition. The ACC reserves the right to send a member of staff to accompany the vehicle and oversee installation and de-installation and condition reporting. All costs must be met by the borrower including travel, accommodation and per diem if required. A per diem of £34.98 is required for UK venues or 70 euros (or equivalent) for International venues.

Borrowers must also be responsible for making arrangements to hang work or re-site sculpture, if required, when returning works to long loan venues.

At the close of an exhibition, borrowers must provide exhibition attendance figures, installation images and press coverage within 2 weeks of the exhibition closing.

The borrower is responsible for all transportation and (where required) casing costs. On occasions the borrower may be asked to contribute towards framing and preparation costs.

### Fees for non-UK borrowers

The ACC will charge venues outside the UK a fee based value per work per venue. Details of these fees can be found in the ACC Loans Policy available on our website- [www.artscouncilcollection.org.uk](http://www.artscouncilcollection.org.uk)

### Tour

The originating venue must provide details of any tour and contact details at least three months in advance of the commencement of the tour

### Damage

Borrowers must notify Head of Collection or the Loans Coordinator **IMMEDIATELY** if a work is damaged in transit or during the exhibition. No repairs or surface cleaning should be carried out without first consulting the Head of Collection. In case of damage or theft the Collection has the right to review CCTV footage for duration of loan. Framed pictures should not be unframed or the plexiglass/glass removed without prior permission from the Head of Collection. All conservation costs including those of examination by a conservator approved by the ACC must be borne by the borrower. The borrowers must ensure that the work is handled by professionals at all times.

### Security

Invigilation of loans as outlined by the terms of Government Indemnity is required during opening hours. Security and fire precautions must be approved by the borrower's local police and fire service and comply with Government Indemnity regulations.

### Health and Safety

It is the responsibility of the borrower to ensure all health and safety requirements pertaining to ACC works are met throughout the exhibition and installation/deinstallation processes.

### Conditions of Display

Very light sensitive objects such as works on paper must be protected from direct sunlight with light levels no more than 60 lux.

Paintings should be displayed with lux levels no more than 200 lux.
